📍 Abuja/Nigeria

Education

Mathematics and Statistics
Federal Polytechnic Bida, Nigeria
2011 - 2015

Programming Languages

- HTML
- CSS
- JavaSCript

From the day I wrote my first line of code I knew I was hacked. My passion for programming led me to master problem solving, the ability to learn quickly and stay on top of new technologies. I am looking for the right opportunity to develop my career. Below you will find my recent projects that showcase my skills in front end development.

"Detail-oriented Front End Developer with more than a year experience working with HTML, CSS and JavaScript. Highly adept at both independent and collaborative projects with an emphasis on landing page and wesite development"
